

Zonta Club  
of Billings  
*Member of Zonta International*

Zonta Club of Billings is pleased to announce a grant program for local nonprofit organizations *that benefit women in our community*. We invite you to apply for this grant and are enclosing an application. Our grants are typically in the range of \$250 to \$1,000 per organization.

We would ask that you keep the following criteria in mind in preparing your proposal:

- Does this project mainly affect or involve women?
- Does it promote self-sufficiency for women?
- Does it have a long-term effect for women?
- Does it make a permanent change in women's status?
- Does it improve one or more of the following areas for women: Education, Political, Economic/Financial, Health/Safety, and Occupational/vocational/Professional?
- Does it promote equal participation in a process?
- Does it affect generations to come?
- Does it encourage independence for women involved?

Final determination for the grants will be made based upon an evaluation of the items listed. Please keep in mind, we do not expect any single project to meet all of the above criteria.

In addition to providing financial support to local organizations, Zonta also strives to provide direct volunteer assistance to our community. If you have an upcoming project that needs additional assistance through volunteer service, we would ask that you keep our organization in mind. With adequate advance notice, we can often assist in providing volunteers.

Thank you for your continuing service to the Billings community. Please feel free to contact me if you have any questions concerning the grant process.

Sincerely,

Lori Mader
