

Members of the Zonta Club in Billings,

I would like to say that you ladies are such an inspiration to women! I believe it is very important for women in today's society to keep working hard in order to improve our social status. I look up to each and every one of you ladies whom dedicate so much time out of their own lives to work for women today and for women in the future. I believe that our fight for equality is a continuous battle. Every woman from every generation resembles a step closer to our goals. Goals, that we may never see achieved in our lifetime; however, it is up to us to encourage younger generations to always keep fighting.

I am grateful for the scholarship money that Zonta Club gave me. With this money I will be able to help pay for college in order for me to achieve my personal goal of becoming a Physical Therapist and also for me to achieve women's goals of equality in society. I thank you for this amazing opportunity. I am very inspired to make a difference in this world and I promise you all the scholarship money will be well spent!
With Many Thanks,

Sincerely
Jessica R. Campbell
